

SAFETY DATA SHEET

VT-462PP

According to Regulation (EC) No 1907/2006, Annex II, as amended by Regulation (EU) No 453/2010

SECTION 1: Identification of the substance/mixture and of the company/undertaking				
1.1. Product identifier				
Product name	VT-462PP			
Synonyms; trade names	Prepreg with FR4 Epoxy Resin.			
1.2. Relevant identified uses of the substance or mixture and uses advised against				
Identified uses	Production of printed circuit board materials.			
1.3. Details of the supplier of the safety data sheet				
Supplier	Ventec-Europe Limited Unit 1 Trojan Business Centre Tachbrook Park Warwick. CV34 6RH 01926 889822 sales@ventec-europe.com			
Manufacturer	Ventec Electronics (Suzhoe) Co. Ltd 308, Taishan Road, New District, Suzhoe Jiangsu, P.R.C. 215129			
1.4. Emergency telephone number				
Emergency telephone	0086-512-68091810			
SECTION 2: Hazards identification				
2.1. Classification of the substance or mixture				
Classification (EC 1272/200				
Physical hazards	Not Classified			
Health hazards	Not Classified			
Environmental hazards	Not Classified			
2.2. Label elements				
Hazard statements	NC Not Classified			
2.3. Other hazards				

VT-462PP

64.0%

SECTION 3: Composition/information on ingredients

3.2. Mixtures

Epoxy Resin - Proprietary Formulation

CAS number: 26265-08-7

Classification

Skin Irrit. 2 - H315

Glass cloth	36.0%
CAS number: 65997-17-3	

Classification

Not Classified

The Full Text for all R-Phrases and Hazard Statements are Displayed in Section 16.

Composition comments Tested on 1080 RC 64% material.

SECTION 4: First aid measures

4.1. Description of first aid measures

Protection of first aidersIf it is suspected that airborne contaminants are still present around aid personnel should wear an appropriate respirator or self-contain4.2. Most important symptoms and effects, both acute and delayedInhalationInhalationInhalation of dust during cutting, grinding or sanding operations invocause irritation of the respiratory tract.IngestionDue to the physical nature of this product, it is unlikely that ingestion discomfort if swallowed.Skin contactDust may cause slight irritation.Eye contactDust may cause slight irritation.4.3. Indication of any immediate medical attention and special treatment needed Notes for the doctorTreat symptomatically.	ed breathing apparatus. olving this product may

5.1. Extinguishing media

Suitable extinguishing media

Use fire-extinguishing media suitable for the surrounding fire. Water spray, foam, dry powder or carbon dioxide.

VT-462PP

Unsuitable extinguishing media	None known.		
5.2. Special hazards arising from	5.2. Special hazards arising from the substance or mixture		
Specific hazards	The product is not flammable.		
Hazardous combustion products	Thermal decomposition or combustion products may include the following substances: Carbon dioxide (CO2). Carbon monoxide (CO). Halogenated hydrocarbons. Acrid smoke or fumes. Toxic gases or vapours.		
5.3. Advice for firefighters			
Special protective equipment for firefighters	Wear positive-pressure self-contained breathing apparatus (SCBA) and appropriate protective clothing.		
SECTION 6: Accidental release measures			
6.1. Personal precautions, pro	tective equipment and emergency procedures		
Personal precautions	Avoid inhalation of dust and contact with skin and eyes.		
6.2. Environmental precaution	<u>s</u>		
Environmental precautions	Avoid release to the environment. Avoid spreading dust or contaminated materials.		
6.3. Methods and material for	containment and cleaning up		
Methods for cleaning up	Collect powder using special dust vacuum cleaner with particle filter or carefully sweep into suitable waste disposal containers and seal securely.		
6.4. Reference to other section	ns		
SECTION 7: Handling and sto	rage		
7.1. Precautions for safe hand	ling		
Usage precautions	No specific requirements are anticipated under normal conditions of use.		
Advice on general occupational hygiene	No specific requirements are anticipated under normal conditions of use.		
7.2. Conditions for safe storag	e, including any incompatibilities		
Storage precautions	No specific requirements are anticipated under normal conditions of use.		
7.3. Specific end use(s)			
SECTION 8: Exposure Contro	ls/personal protection		
8.1. Control parameters			
8.2. Exposure controls			
Appropriate engineering controls	Mechanical ventilation or local exhaust ventilation may be required.		
Personal protection	The following personal protection may be needed if long term exposure during machining, grinding and sawing.		
Eye/face protection	Wear eye protection.		
Hand protection	Wear protective gloves.		
Other skin and body protection	No specific requirements are anticipated under normal conditions of use.		
Hygiene measures	Good personal hygiene procedures should be implemented.		

VT-462PP

Respiratory protection	Wear a suitable dust mask.	
SECTION 9: Physical and Che	emical Properties	
9.1. Information on basic physical and chemical properties		
Appearance	Solid.	
Odour	No characteristic odour.	
Odour threshold	Does not apply, as product is odourless.	
Flammability (solid, gas)	UL-94 V0	
Relative density	~ 1.6 - 1.9	
Decomposition Temperature	360°C	
Comments	Information given is applicable to the product as supplied.	
9.2. Other information		
SECTION 10: Stability and rea	activity	
10.1. Reactivity		
Reactivity	Not reactive under normal use and conditions.	
10.2. Chemical stability		
Stability	Stable under normal use and conditions.	
10.3. Possibility of hazardous	10.3. Possibility of hazardous reactions	
Possibility of hazardous reactions	Product is stable. Hazardous polymerisation will not occur.	
10.4. Conditions to avoid		
Conditions to avoid	Avoid generation and spreading of dust.	
10.5. Incompatible materials		
Materials to avoid	Strong acids. Strong alkalis. Strong oxidising agents.	
10.6. Hazardous decomposition	on products	
Hazardous decomposition products	Will decompose at temperatures exceeding 360°C. Carbon monoxide (CO). Carbon dioxide (CO2). Hydrogen bromide (HBr). Nitrous gases (NOx).	
SECTION 11: Toxicological in	formation	
11.1. Information on toxicologi	cal effects	
Toxicological effects	No data available on the specific mixture.	
Skin contact	Powder may irritate skin.	
Eye contact	Powder may irritate the eyes.	
SECTION 12: Ecological Information		
12.1. Toxicity		
12.2. Persistence and degrada	ability	

12.2. Persistence and degradability

Persistence and degradability The product is not biodegradable.

12.3. Bioaccumulative potential

Hazard statements in full

VT-462PP

Bioaccumulative potential	No data available on bioaccumulation.			
12.4. Mobility in soil				
Mobility	No data available.			
12.5. Results of PBT and vPvB assessment				
12.6. Other adverse effects				
SECTION 13: Disposal consid	derations			
13.1. Waste treatment methods				
General information	External recovery, treatment, recycling and disposal of waste should comply with all applicable local and/or national regulations.			
SECTION 14: Transport inform	mation			
General	The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, ADR/RID).			
14.1. UN number				
14.2. UN proper shipping name				
14.3. Transport hazard class(es)			
14.4. Packing group				
14.5. Environmental hazards				
14.6. Special precautions for the second sec	user ling to Annex II of MARPOL and the IBC Code			
SECTION 15: Regulatory info				
15.1. Safety, health and enviro	onmental regulations/legislation specific for the substance or mixture			
National regulations	None Listed.			
EU legislation	None Listed.			
15.2. Chemical safety assessment				
SECTION 16: Other information				
Issued by	HS&E Manager.			
Revision date	16/09/2017			
Revision	Issue 1			
SDS number	4569			
SDS status	Approved.			

This information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process. Such information is, to the best of the company's knowledge and belief, accurate and reliable as of the date indicated. However, no warranty, guarantee or representation is made to its accuracy, reliability or completeness. It is the user's responsibility to satisfy himself as to the suitability of such information for his own particular use.

H315 Causes skin irritation.
